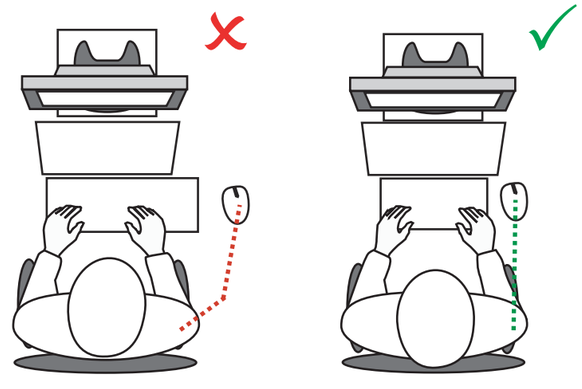
Ergonomics

Compact Keyboard

Compact keyboard C-board 810, reduces the distance a user has to reach for operating the mouse and allows a more comfortable body posture.
The mouse can be positioned right in front of the right shoulder, which facilitates a better posture of the right arm and shoulder when using the mouse.



Warranty Information

This product is warranted to be free from defects in material and workmanship for a warranty period of 1-YEAR, starting from the date of purchase or maximum of 18 months since the product left the original factory. If a product proves to be defective in material or workmanship during the warranty period, we will repair or replace the product with a like product at our sole option. Replacement product or parts may include remanufactured or refurbished parts or components. This warranty is valid only for the first purchaser with a valid proof of purchase.

The warranty does not cover:

1. Any product with defaced, modified or removed serial number.

2. Damage, deterioration or malfunction resulting from:
   - Accident, misuse, negligence, natural hazards including: fire, water, lightning and/or other acts of nature.
   - Any unauthorized modifications not complying with the standard product or failure to follow instructions supplied with the product.

- Repair or attempted repair by unauthorized personnel.
- Shipping damage; please consult with your point of purchase if the product is suspected to have been damaged during shipping.
- Removal or installation of the product.
- Causes external to the product, such as absence of electrical grounding, power fluctuation, failure and/or power spikes.
- Normal wear and tear.
- Any other cause non related to a product defect.
